

Serial No. : 10/774,086  
Filed : February 6, 2004

REMARKS

In the Office Action, the examiner rejected Claims 1 and 12 under 35 U.S.C. 103(b) as being anticipated by Moteki et al. (U.S. Patent No. 6,243,645). The examiner indicated that the subject matters defined in Claims 2-11 and 13-22 are allowable. Accordingly, the applicant has canceled Claims 1 and 12 to overcome the rejection.

In this opportunity, the applicant has amended the specification to correct minor wording errors therein. This is to verify that no new matter has been introduced by this amendment.

Under the circumstances, the applicant believes that the present application is in the condition for allowance, and the applicant respectfully requests that the present application be allowed and passed to issue.

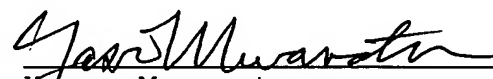

Respectfully submitted,

MURAMATSU & ASSOCIATES
